

# Lady

*words & music by elwood*

---

Lady I can tell by the look in your eye,  
You need something more.  
Lady what you need no man can provide,  
Your gonna have to look to the Lord.

He's not some swinger with a fancy car,  
Or alot of money to spend.  
But lady He knows who you are,  
And your gonna have to meet Him in the end.

Go ahead lady walk on up to the Cross,  
Ask Him if his love is true.  
He won't be able to answer,  
He died to prove it to you.

Bridge:

*Em A D*  
*But the story doesn't end there,*  
*Em A D*  
*He rose again on the third day.*  
*Em A*  
*He's calling out to you,*  
*D Bm*  
*You can start anew*  
*Em A*  
*He has made a way*

*OR*

*He rose again on the third day*  
*Victory is His forever*  
*He is calling out to you*  
*Yes you can start anew*

Lady I can tell by the look in your eye  
You're no longer alone  
And Lady I can tell by the smile on your face  
All the pain is gone.
