

# A Real Friend

---

words & music by elwood

You tell me you're lonely  
You tell me you're blue  
You just need a friend  
You can talk to  
You want someone special  
A one of a kind  
Well I know a place  
Where you can find

*A real friend  
Tested and true  
You don't know the things  
He's done for you  
A real friend  
Like none you'll find  
Yes I think it's time  
You had a real friend*

You've had friends before  
Who turned away  
But this one I know  
Is here to stay  
He won't leave you lonely  
I know it's true  
Cause one of His friends  
Is talkin' to you

*A real friend  
Tested and true  
You don't know the things  
He's done for you  
A real friend  
Like none you'll find  
Yes I think it's time  
You had a real friend*
