

Bein' In Love

words & music by elwood

It's rainin outside do you miss me yet?
Remember that night we got so wet
Kissin in the rain like we were in love.
I thought I was I guess you weren't,
I know I've got alot to learn,
I never thought I'd get so burned,
Bein' in love.

*What goods my heart with a big hole in it,
My life's no good without you in it.
I think you can tell I'm takin' this kind of hard.
I see lovers I think of you and me,
You turned me loose I can't set you free,
This can't be right us bein apart
(Funny Version: By the way could you return my car?)*

It's been hard here without my heart,
I don't know where I should start.
I thought I had a place to keep it forever.
In your hands I thought it was safe,
No chance that it could break,
The truth can be so hard to take.
When you say never.

*What goods my heart with a big hole in it,
My life's no good without you in it.
I think you can tell I'm takin' this kind of hard.
I see lovers I think of you and me,
You turned me loose I can't set you free,
This can't be right us bein apart*
