

Sign the Book of Life

words & music by elwood

CHORUS:

*Sign the Book of Life,
Sign it with His Blood.
Sign the Book of Life, dear friend.
He died so you could.*

Out there, wanderin',
Oh, so all alone.
Wondering what,
Lies ahead in the road.

No one can tell you,
What lies ahead.
Who knows by tomorrow?
At this time you could be dead.

Jesus, and Jesus alone,
Can see you through deaths door.
Sign the Book of Life,
And you won't wander any more.

CHORUS

Passing over to death,
With no eternal assurance,
Means that your life,
Had no meaning for existence.

You may have done some good thing.
You may have been great.
But when you reach that point.
I hate to tell you its too late.

You're gonna reach the station,
They're gonna take a look,
Will they find your name there,
Written in the Book?

CHORUS
