

I'll Be There

words & music Elwood McElveen, Jr.

Promises spoken and never broken,
Are hard to find these days.
All you need is one to make life right.
You can hang your heart on this one,
I'm not going anywhere.
Whisper my name and I'll be there.

The road of life has its ups and downs,
Along the way.
All you need is someone to walk along.
We'll make it a wonderful journey,
Side by side, without a care.
Reach out for me and I'll be there.

*I'll be there when you want me,
I'll be there when you don't.
I'll be there when you need me,
I'll be there when you won't.
I'll be there.*

There's tears of joy, tears of sadness,
Life is just that way.
All you need is someone to share them all.
Go ahead, I'll cry along,
Let them fall I'll catch them all.
I'll be there.
