

## **In His Love**

words & music by Elwood McElveen, Jr.

Take this Lamb,  
Slain for Thee.  
Let His blood,  
Set you free.  
Hide your faults,  
In His Love.

Don't hide your heart,  
Open it up.  
His Love,  
Will be enough.  
Live your life,  
In His Love.

*So long you've been searching,  
For an easy way out,  
And now it's finally here.  
He can solve your problems,  
I've got no doubt.  
Can't you feel He's near.*

He'll take your heart,  
He knows what to do.  
Just trust,  
He'll see you through,  
Put your faith,  
In His Love.

You know it's a choice,  
That you've got to make.  
Either yes,  
Or no I'll wait,  
You can live tomorrow,  
In His Love.
