

Look Back

words & music by elwood, David Bush, Harry Cates, John Cates

Now look back in 77,
He died upon his bathroom floor.
The one so many called the "King",
Is gone now and forever more.

Elvis death is now the top story,
It's the topic of every headline.
And if you want his greatest hits,
Just send in \$4.99.

Now look back December 80,
Lennons shot down in the street.
People start the all night vigils,
And start to worship his dead feet.

Now John you may have been right,
When you said you were more popular.
But did it get you any closer to,
The One True Saviour.

Now look back 2,000 years,
A hill called Mt. Cavalry,
The One and Only Son of God,
Dies to set all people free.

Do you think He made headlines,
His name is mainly in one Book.
You'll find it in the hotel dresser,
If you really, really look.

Every magazine and paper,
Has his picture on it,
Says the "King" has been shot down.
I wonder what would happen,
If the real King came tomorrow,
Would you still be around?
