

Love Again

words & music by elwood

So you lost at love,
When you didn't even know it was a game.
You don't think,
You'll ever be the same.
But your hearts gonna mend,
Faster than you think it would.
You'll love again,
When you never thought you could.

*Let Him show you how to love again,
He'll touch your heart,
He'll be your friend.
The time will come when you will love again.*

It's over now,
The love you thought would last.
You struggle now,
To make it part of the past.
But it's all right,
That flame is gonna burn again.
And when it does,
That's when the healing begins.

*Let Him show you how to love again,
He'll touch your heart,
He'll be your friend.
The time will come when you will love again.*

Bridge:
Hearts are breaking every night and day,
Searching for another way,
To find a love and make it stay.

*Let Him show you how to love again,
He'll touch your heart,
He'll be your friend.
The time will come when you will love again.*
