

# You're Still Here

---

words & music by elwood mcelveen, jr.

CAPO 2

**Fmaj7**                            **C**  
I'm trying hard to understand  
**Fmaj7**                            **C**    **Step down with A string**  
Just why it is you left  
**Am**                                 **Em**  
But I don't think I'll ever know  
**F**                                 **G**  
What really made you go

Sometimes I miss you  
Sometimes I don't  
Sometimes I cry myself to sleep at night  
Askin myself why

CHORUS

**F**    **G**    **C**  
*You're still here*  
**F**    **G**    **C**  
*But I'm still alone*  
**Am**        **Em**  
*And why I can't let you go*  
**F**                                 **G**  
*I'll never know*

You think you left me  
And in ways you did  
But in so many ways  
You still live

Yes your troubles are over  
You took the easy way out  
But what about the ones left behind  
What do we do now, cause
